

Mad-Sad-Glad Libs

Alienated in Space!

Astronaut Mark feels [_____] as he steps on the [_____] of his spaceship, heading to Pluto. His crewmates cheer with [_____] as their [_____] nuclear-powered aircraft lifts off at [_____] miles per hour.

[_____]! They scream with [_____] when they narrowly miss hitting an asteroid. [_____]! They [_____] with amazement as they fly [_____] through the rings of Saturn. [_____]! They hold their [_____], feeling [_____], as they [_____] near the [_____] gas planet of Neptune.

Pluto is now just [_____] kilometers away and the crew is [_____]. But... what's this? An alien war [_____]? Mark's voice [_____]s with [_____] as he thinks about what to say. Are the aliens [_____] or [_____]? Are they [_____]ing the solar system, that we [_____]?
