

# Find the letters

Draw a **circle** around each letter in the word **dog**.

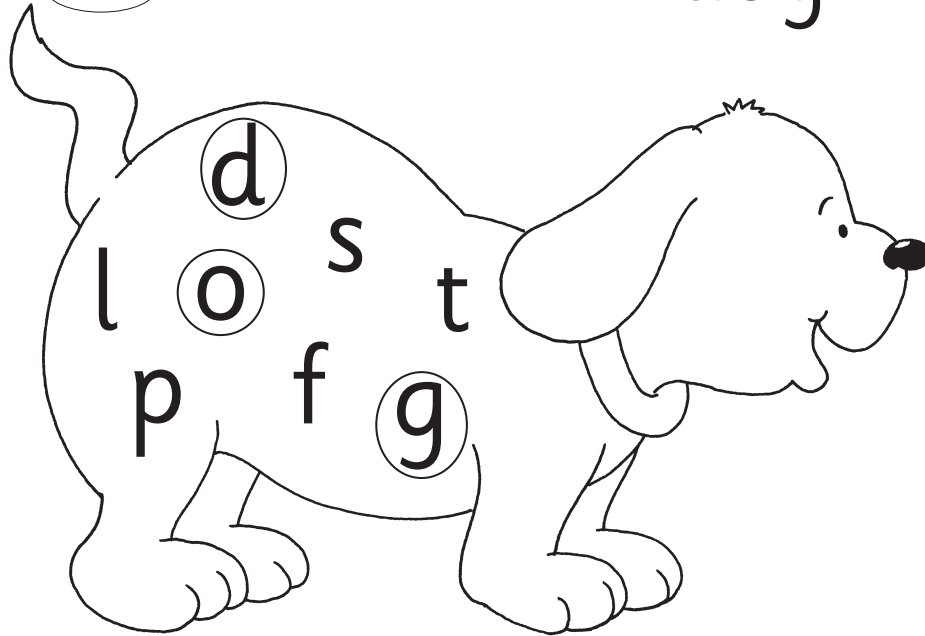

Draw a **circle** around each letter in the word **hat**.

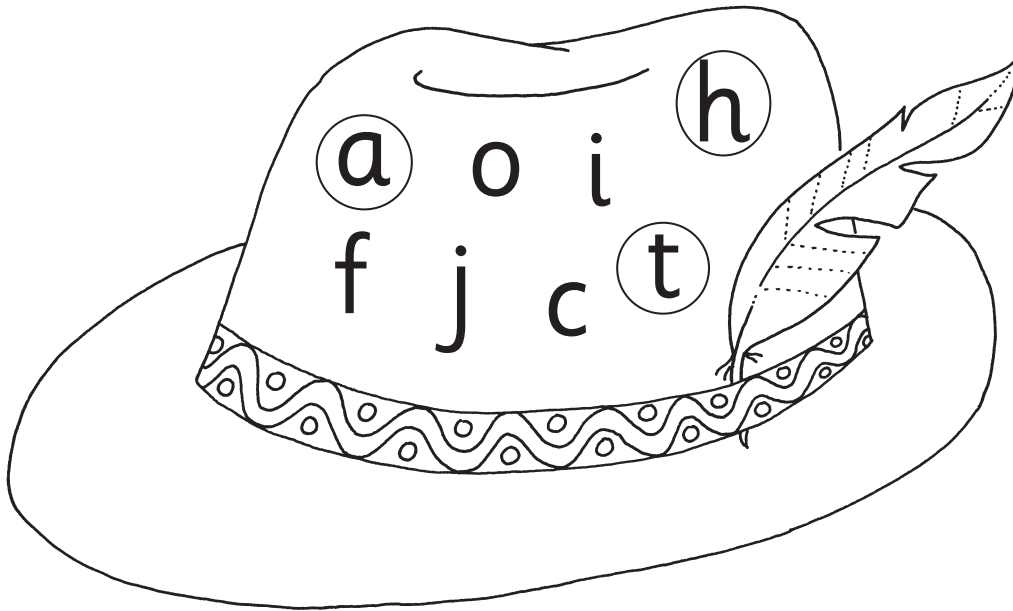

# Find the letters

Draw a circle around each letter in the word **dog**.

Draw a circle around each letter in the word **hat**.

Ask your child to identify and draw a circle around the three letters that make up the simple illustrated words: *dog* and *hat*. This activity introduces the idea that letter shapes can be joined with others to make words. Talk about this concept with your child if you think he or she is ready.
