

Dividing by 3

Divide the money equally among the purses.

Write a problem to show what you have done.

You might find it easier to change all the money into 1¢ coins.

6¢

$6 \div 3 = 2$

$\square \div 3 = \square$

$\square \div \square = \square$

$\square \div \square = \square$

$\square \div \square = \square$

$\square \div \square = \square$

$\square \div \square = \square$

$\square \div \square = \square$
